 LEVEL4

PRODUCTS MADE PERSONAL

We take incredible care to embellish quality branded golf accessories & equipment with your brand, ensuring the best visibility as well as comfort and usability.

It's our product, made personal to you.

THE CHOICE OF CHAMPIONS

Level 4 has built an enviable reputation for supplying high quality branded merchandise for some of the biggest sporting events in golf.

BETTER FOR THE PLANET, BETTER FOR BRANDING.

PRODUCT

Whilst we understand that plastic and other durable materials are incredibly useful for some of our products, we are entering a new era where product design is considered from a new perspective, exchanging single use for sustainable and continuing to serve quality and value as we always have.

For example, we are exploring the use of materials such as bamboo, wood and merino wool, as well as our Eco Trolley Bag which is made from recycled plastic bottles.

PACKAGING

We've launched a number of sustainable initiatives that will enable us to offer the golf trade a greener future including the eradication of plastic packaging and the introduction of biodegradable and/ or recyclable packaging such as the brown box packaging on our reusable drinks bottles, printed with one-colour using water based inks.

1

100% Recyclable Packaging that's fit for retail displays and with low impact on production materials.

2

Merino wool is a natural fibre that is environmentally friendly, biodegradable and an excellent thermoregulator.

4

Eradicating single use plastic is key to driving down the amount of waste that ends up in landfill. Lifetime and reusable products help towards this.

3

Replacing plastic in our range with the faster replenishing Bamboo and Wood.

LOGOS FOR PERSONALISATION

EMBROIDERY

We have to digitise your logo to enable embroidery of any product and it is not necessary to supply a vectored or high resolution image of your logo for us to achieve this. The digitising process converts your logo into a DST file which the embroidery machines will read to create your embroidery. There is no charge for creating the initial embroidery files - this includes one DST file and an embroidered swatch.

IMPORTANT

Please ensure the correct logo together with any other relevant information such as additional text are provided to us from the outset as any amendments resulting in the creation of an additional DST file will result in a charge of £25.00. When placing repeat orders, care should be taken to ensure the correct logo has been specified. In some cases, small text amendments can be made to existing DST files. In this case, a reduced fee of £7.50 will be applied.

LOGOS FOR PERSONALISATION

PRINTING

All printed items, with the exception of ball markers, require a 'vectored' logo unless text only is required. These are usually .pdf, .eps or .svg files - **jpeg, .png and .gif files are not generally acceptable for use.**

If you are unsure whether your logo is vectored or not, please contact the Level 4 team who will be happy to advise you.

If your logo is not vectored and you are unable to locate one, we can provide redrawing service which is charged at £45.00 per hour. We will provide an estimate of the total charge dependent on the complexity of your logo.

LEAD TIMES

To ensure that production times are kept to a minimum, quick approval of artwork proofs is recommended. Equally if there are any issues with the supplied proofs then we can work to correct them immediately.

We know that sometimes things get left to the last minute, which is why we also offer a rush service. Rush production may incur an additional charge, and is dependent on the order volume and number of items in the production run. We will however endeavour to do everything we can to fulfil your order. If you need your order turned around quickly, then please get in touch to discuss your requirements.

ARTWORK GUIDELINES

So that we can personalise your order quickly and to the highest standards, all logo artwork needs to be supplied in one of the following formats: .AI / .EPS / .PSD / .SVG / .PDF / .DST

Subject to review by the artwork team, we can also potentially accept the following file types:

.PNG (High res) / .JPG (High res) / .TIFF
